

Johns Hopkins University Vaccinations

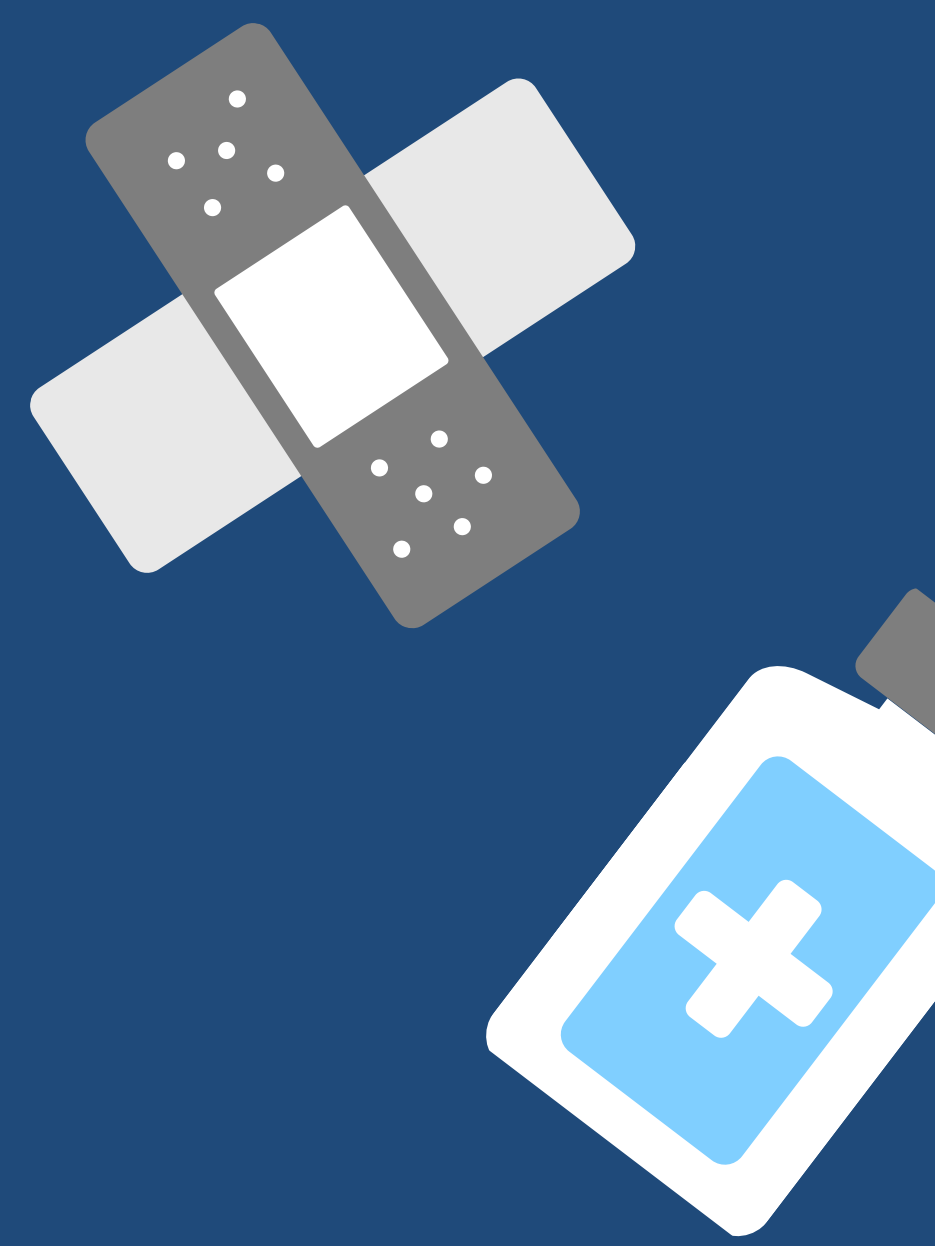

Curious about the COVID-19
vaccination policy at JHU?

1 Current JHU Policy

At this time, JHU only has the capacity to vaccinate university medical workers.

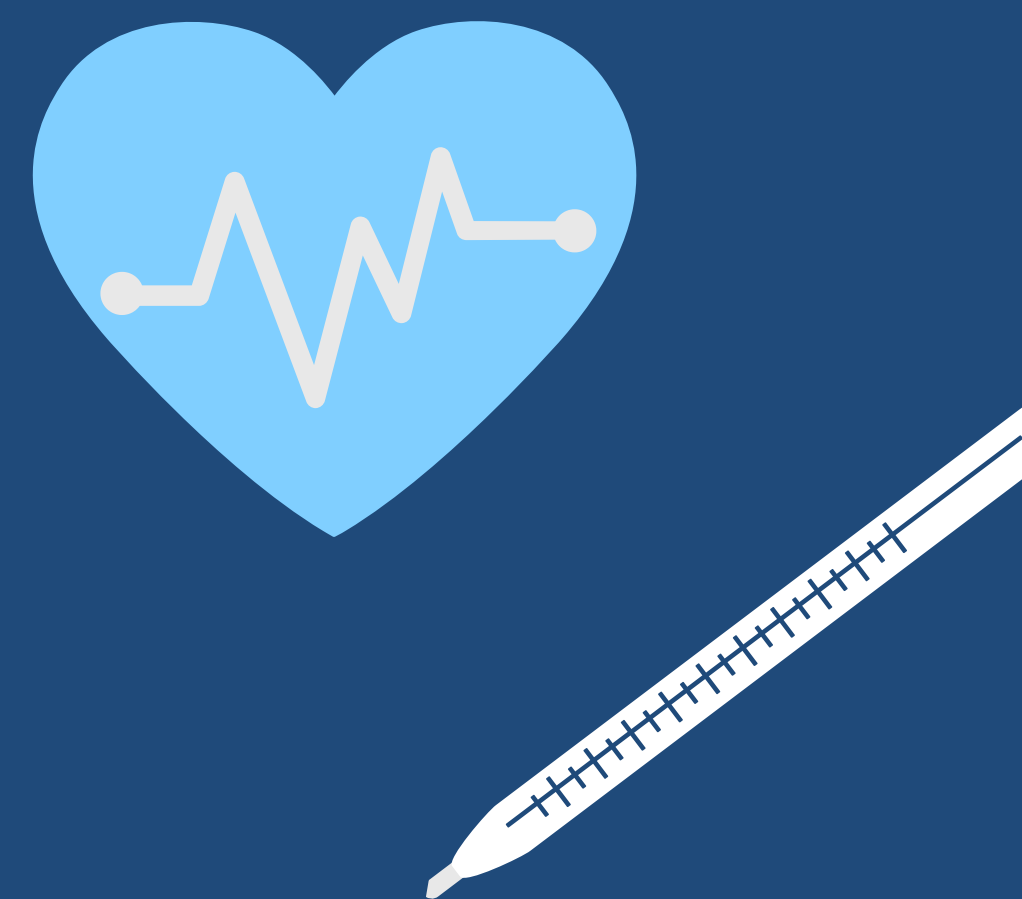

It is recommended to pursue your vaccine through your state and local health care organizations.

2 Vaccination Websites

Based on where you live, visit one of the following websites to sign-up for your vaccinations:

- Maryland residents
- DC Residents
- Virginia Residents
- JHU Vaccine information & updates
